## ELIMINATE THE DEATH TAX AND RESTORE THE AMERICAN DREAM

(Mr. GIBBONS asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. GIBBONS. Mr. Speaker, I rise today to discuss a problem that affects too many Americans, the death tax. It seems absurd that our government would tax someone just for dying; yet that is exactly what has been happening in this country for years.

Too many Nevadans are forced to sell acres of their family farms and ranch lands after the death of their parents or grandparents in order to pay their huge estate tax bills, all courtesy of the death tax.

Many of these farms and ranches have been in families for years, but now these families must sell part of their family heritage in order to pay the IRS. For many Americans, the American dream is to start a small business and pass it on to their children; yet our government is preventing millions of Americans from realizing this dream. This is wrong; it must end.

Mr. Speaker, I hope all of my colleagues will support the Death Tax Elimination Act and restore the American dream and do it today.

## EVENTS SURROUNDING ELIAN GONZALEZ RESEMBLE LIFE IN COMMUNIST CHINA

(Mr. TRAFICANT asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. TRAFICANT. Mr. Speaker, Elian Gonzalez watched his mother drown, he then clinged to a tire at sea to save his life, and after all of that, commandos seized him at gunpoint. If that is not enough to portray a gulag, Americans later gathered right here in the Capitol to pray for Elian and Secret Service agents in full uniforms stormed in and stopped their prayer service.

Mr. Speaker, one cannot even pray in America. Beam me up. Is this Communist China, or is this the United States of America?

Now, I believe Elian should have been sent back with his dad, but do we have a gulag portrayed, or what? I yield back the fact that our founders are literally rolling over in their graves.

## DEATH TAX EQUALS DOUBLE TAXATION AND SHOULD BE OUTLAWED

(Mr. HEFLEY asked and was given permission to address the House for 1 minute.)

Mr. HEFLEY. Mr. Speaker, a family that has suffered a loss of a loved one should not have the added grief of losing the family business, ranch, or personal savings; yet that is what is happening under our current Tax Code. Because of an archaic tax law, when a person dies in this country, an outrageous tax of 37 to 55 percent is levied on his or her property, even though the deceased spent his or her entire life paying taxes on that very estate.

The death tax is a form of double taxation that has devastated too many families and businesses. It has been estimated that one-third of small business owners will have to sell outright or liquidate a part of their business to pay death taxes. More than 70 percent of family businesses do not survive the second generation, and 87 percent do not make it to the third generation. In my district of Colorado Springs, a well-established family business had to close its doors in the face of an enormous estate tax bill. Small family-run businesses are the backbone of our Nation's strong economy and should not be forced to close down because of taxes.

Mr. Speaker, I encourage my colleagues to support the Death Tax Elimination Act on this very day.
